Eloise has settled in beautifully at LGM. She is happy to come to every session and talks about her day with confidence and pride. As parents, we are very proud of the progress she has made and we are very grateful to all of the staff who have supported her. She adores Miss Tracy!

It's been a great experience, very impressed with new manager and leadership of the group as a whole. Freddie has clearly enjoyed his time, developed with the right support and listening from teachers. He's made great friends and had a wide range of experiences. We particularly like the way that the culture is developing to allow parents to be more open and included.

We have been thrilled with the nursery. Our daughter attended before Ridley and we have been very impressed throughout. The teachers (and continuity) really know Ridley and provide personal attention. We appreciate the extra activities (Bee visit, Policeman etc) daily feedback is excellent. The setting + outside space is fun, calm and homely. Miss Surinda's food is excellent, Ridley loves it.
